INVITATION

Seminar “Precision Agriculture in the Olive Grove. Fertigation” ‘OliveOilMedNet’

Dear Farmer / Producer,

The establishment of the ‘OliveOilMedNet’ Project is a long-term initiative dedicated to strengthen transnational collaboration and networking among 4helix stakeholders in the olive oil sector. The network’s mission is to address shared territorial challenges in the olive oil sector in the Med Area by promoting “sustainability” and “authenticity”.

It is a great honor to invite you to participate in the:

Seminar: “Precision Agriculture in the Olive Grove. Fertigation”

Presented by D. Antonio Díaz Aguilar

Wednesday, September 23, 2026, from 9:30 a.m. to 2:00 p.m. Spanish time

organised by INUO-UJA in the frame of the Project with the title:

*‘Mediterranean Network for the Promotion of Sustainability & Authenticity
in Olive Oil Sector’*

During this seminar, participants will learn how to strengthen the precise supply of water and fertilisers required by olive trees at each stage of their culture, and to strengthen the plant’s development with the aim of improving the production and quality of the virgin olive oils obtained. This seminar offers a clear example of knowledge sharing and collaboration between stakeholders.

We look forward to your participation. For those who are unable to attend in person, the link to this training will be sent on Tuesday, September 22.
